

IMPORTACIONES

GALIANO

CARACTERÍSTICAS

Conforme normativa europea 149:2001+A1:2009

Material: 95% Polipropileno 5% Poliéster

Bolsas de 10 unid.

Pedido mínimo 200 unid.

- 0.45 € / ud

Plazo de entrega:

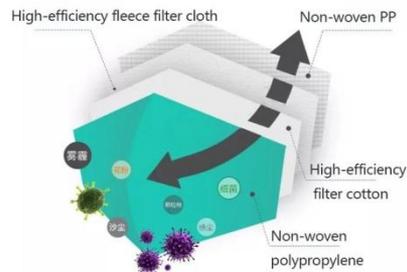

10 días por transporte aéreo incluido

MASCARILLA FFP2

Four-layer filtration

Blocking harmful substances in the air

CARACTERÍSTICAS

Conforme normativa europea 149:2001+A1:2009

Protección FFP2 / KN95

Material: 95% Polipropileno 5% Poliéster

Presentación en bolsas de 10 unid.

Pedido mínimo 200 unid.

- 2.50 € / ud

Plazo de entrega:

10 días por transporte aéreo incluido

GUANTES POLIETILENO ALTA DENSIDAD

CARACTERÍSTICAS

Material: 100% HDPE

Medidas: 27x27.5 cm.

Presentación en packs de 100 uds.

Pedido mínimo 10 packs (1.000 guantes)

- 1 Pack de 100 unidades: 1.85 €/ 100 guantes

Plazo de entrega:

20 días por transporte aéreo incluido

CARACTERÍSTICAS

Material: NITRILO

Medidas: M - L

Presentación en packs de cartón con 100 guantes.

- 100 guantes: 20.50 €.

Plazo de entrega:

20 días por transporte aéreo incluido

CARACTERÍSTICAS

Según Normativa Europea CE/FDA ,EN1731

Material: PET Polietileno Reciclado

Medidas: 33 X 22 cm

Peso: 40 gr.

En bolsas individuales.

- 2.60 €/unid.

Plazo de entrega:

20 días por transporte aéreo incluido

CARACTERÍSTICAS

Según Normativa Europea CE Test Report EN 166 Lentes Antiniebla

Material: PC Policarbonato. Peso: 80 gr.

Medidas: 75 mm X 155 mm X 65 mm,

Presentación en bolsas individuales.

- 4.50 €/unid.

Plazo de entrega:

20 días por transporte aéreo incluido

CARACTERÍSTICAS

Según Normativa Europea T5/6CE

Material: PP + PE Material Bilaminado

Tallas : S/M y L/XL

Presentación en bolsas individuales.

- 19.90 €.

Plazo de entrega:

20 días por transporte aéreo incluido

	Name	Infrared Thermometer
	Model	GLFT-11
	Test mode	NON-Contactless
	Distance	3-15cm
	Extent	32-42.5°C(89.6-108.5°F)
	Unit	°C / °F
	Power Supply	Two AA batteries
	Error range	Within 35-42°C ±0.2°C Outside the range 35-42°C ±0.3°C
	Auto sleep	15 s
	Weight	142g
Size	170*95*45mm	

CARACTERÍSTICAS

Según Normativa Europea CE / FCC
Caja individual personalizada

- 1 unid.: 48 €.

Plazo de entrega:

20 días por transporte aéreo incluido

Infrared Thermometer

NON-Contactless

QUOTATION																																																																																
PRODUCT DETAILS	PRODUCT PICTURE																																																																															
Item Name :	Portable Ozone Generator																																																																															
Model No. :	HBC-TB																																																																															
H.S code:	8543709990																																																																															
Certifications :	ISO Certificate																																																																															
Material :	Steel plate																																																																															
Color :	As show in the picture																																																																															
Voltage :	110-240V (Customizable)																																																																															
Ozone output (g/h):	5 g/h																																																																															
Power(W):	100																																																																															
Air Volume (m3/h) :	80-100 m ³ /h																																																																															
Disinfection Space :	50 m ³																																																																															
Qty/Ctn :	1																																																																															
G.W./N.W :	4 / 3.5
